

Video Modeling: Greeting an Acquaintance

The Right Way:

A high school student, STUDENT #1, sits in a classroom getting ready for class to begin. STUDENT #2 enters and sits down.

STUDENT #1

Hey.

STUDENT #2

Hey.

STUDENT #1

How about that homework last night?

STUDENT #2

Yeah.

STUDENT #1

It took me forever.

STUDENT #2

Yeah. I couldn't even understand question three.

STUDENT #1

I know. I can't believe we have a test on Friday.

STUDENT #2

Me neither.

The Wrong Way:

A high school student, STUDENT #1, sits in a classroom getting ready for class to begin. STUDENT #2 enters and sits down.

STUDENT #1

Hey.

Student #2 puts his backpack on the desk.

STUDENT #1 (CONT'D)

How about that homework last night?

STUDENT #2

What about it?

STUDENT #1

It took me forever.

STUDENT #2

I thought it was easy.

STUDENT #1

Oh. Um. Maybe you could help me next time?

STUDENT #2

I'm too busy for that.

STUDENT #1

Okay.

Hey.

STUDENT #2

Hey.

STUDENT #1

How about that homework last night?

STUDENT #2

What about it?

STUDENT #1

It took me forever.

STUDENT #2

I thought it was pretty easy.

STUDENT #1

Oh. Maybe you could help me next time.

STUDENT #2

Yeah. Sure.

STUDENT #1

Thanks.
